

May 2010

Dear Parent/Guardian,

_____ School is holding its very own Heart Jam!

At 10am on Friday the 28th of May students from our school will have the opportunity to take part in New Zealand's largest aerobics class. What we ask is that your child brings a gold coin donation on the day in support of Heart Jam and all Kiwi kids living with a heart condition.

Based on the popular JUMP JAM, Heart Jam has been created by Heart Children New Zealand, the only organisation dedicated to supporting the 12 children born every single week with heart defects in New Zealand.

All funds raised through Heart Jam will go towards Heart Children New Zealand's Child & Youth programme and services. For more information on the work of Heart Children NZ please visit www.heartchildren.org.nz. Through Heart Jam, your child will be helping other children living with a heart condition. It is a great way for our children to learn the importance of supporting others in their community.

We are really excited to be holding our very own Heart Jam and would love to have your support.

Kind regards

Heart Jam Coordinator
